

Professor Jonathan Riley-Smith 1938 - 2016

With great sadness we announce the death of Professor Jonathan Riley-Smith, a celebrated scholar of the Crusades, a long-standing supporter of Fisher House, and President of CUCA for ten years. Professor Riley-Smith was received into the Church at Fisher House, and attended Mass faithfully until his illness prevented him. He bore his long illness and its painful treatment with great courage and prayerfulness, so that his death, as his life, were lessons to us all in Christian virtues. May the Lord have mercy on his soul, and grant him the reward of all his labours.
